

Dolphins Swim Team

July 2-July 7, 2012

A huge **CONGRATULATIONS** to Coaches Joel and Candace and all our 8 & Unders for representing us well this Saturday! Although it was a little hot and crowded everyone swam their hearts out and had a great time!

We have two meets this week and volunteers are needed for stroke & turn, as well as timers. If you've never timed before, this would be a great week to give it a shot. We are typically short-handed on week day meets due to most parents having to work. If you're available please see Margaret Lucero.

It is now crunch time for NM games. Please register on-line and turn in Release of Liability forms, as well as event selection forms ASAP to Michelle Seaver. New Mexico Games will take place on Sunday, July 15th. The team's HYTEK Registration is due July 7th.
